

*Trace the lines with marker first, then take a wet Q-tip and trace along the marker. It will drip like paint!!*

Cut out then Paste buckets 😊

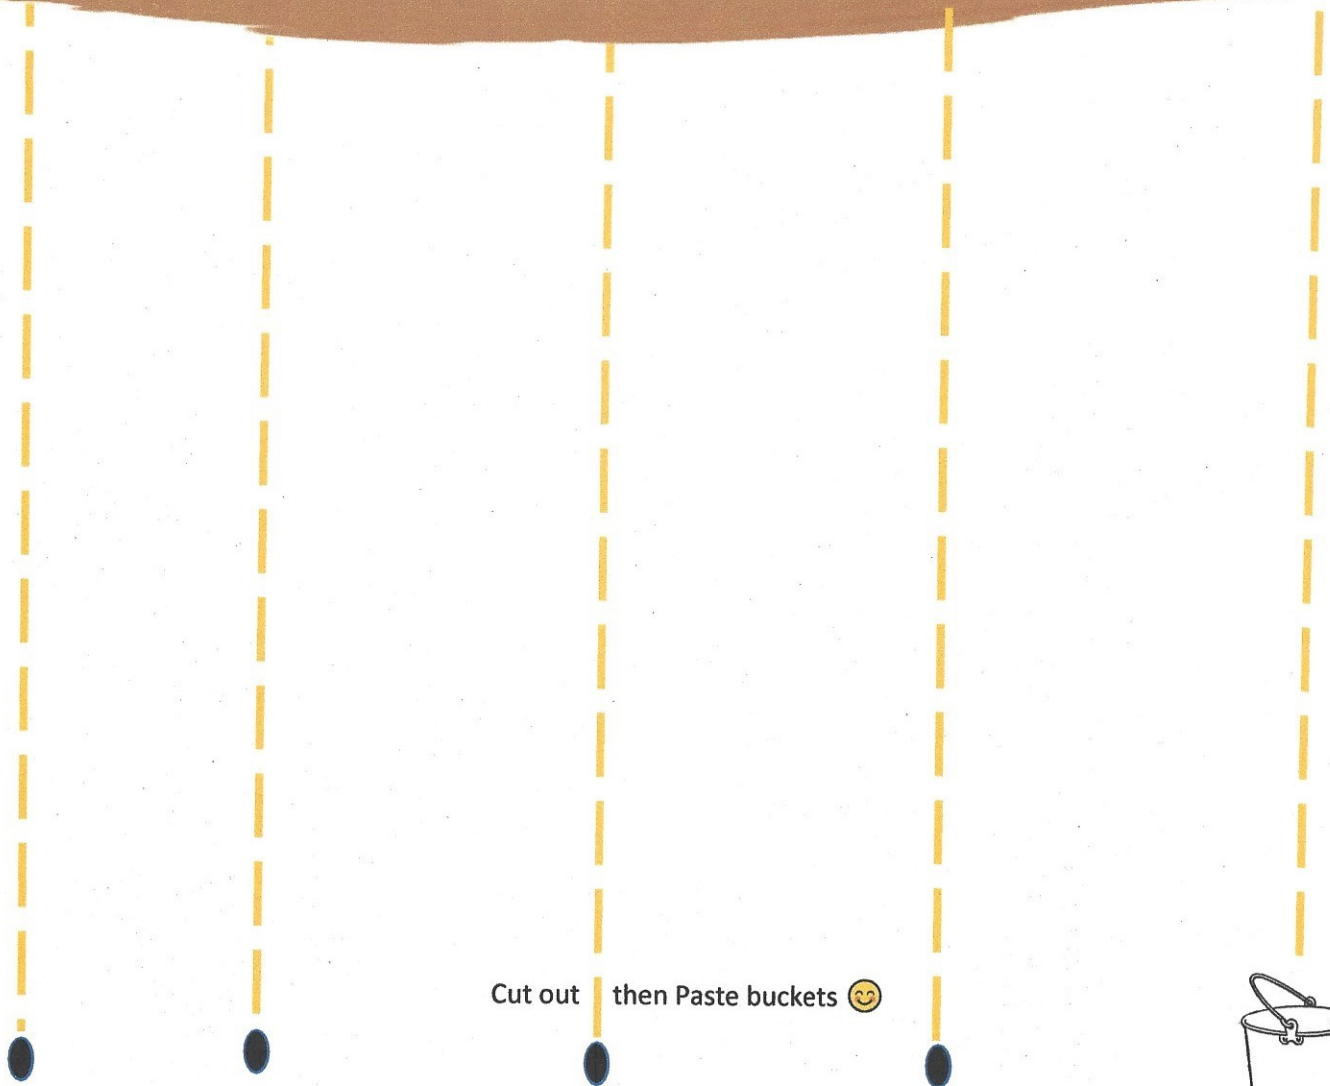

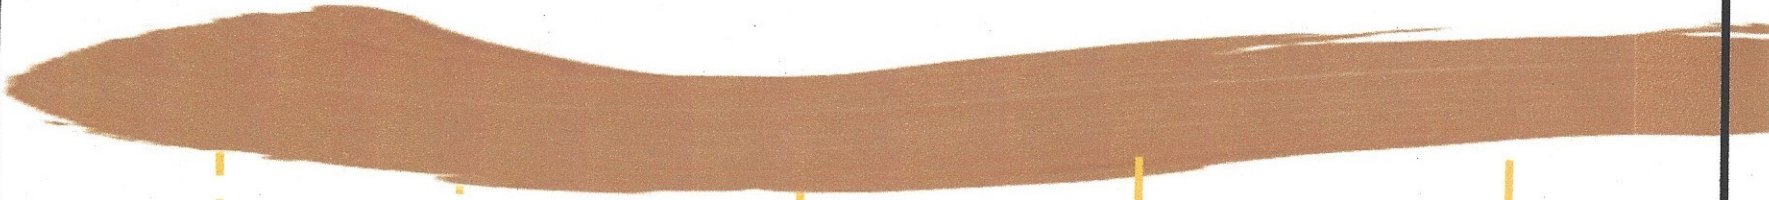

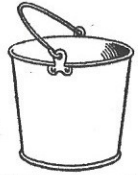

*Trace the blue lines with blue marker first, then take a wet Q-tip and trace along the blue marker. It will drip like paint!!*

Cut out then Paste buckets 😊

Trace the orange lines with orange marker first, then take a wet Q-tip and trace along the orange marker. It will drip like paint!!

Cut out then Paste buckets 😊

Trace the yellow lines with yellow marker first, then take a wet Q-tip and trace along the yellow marker. It will drip like paint!!

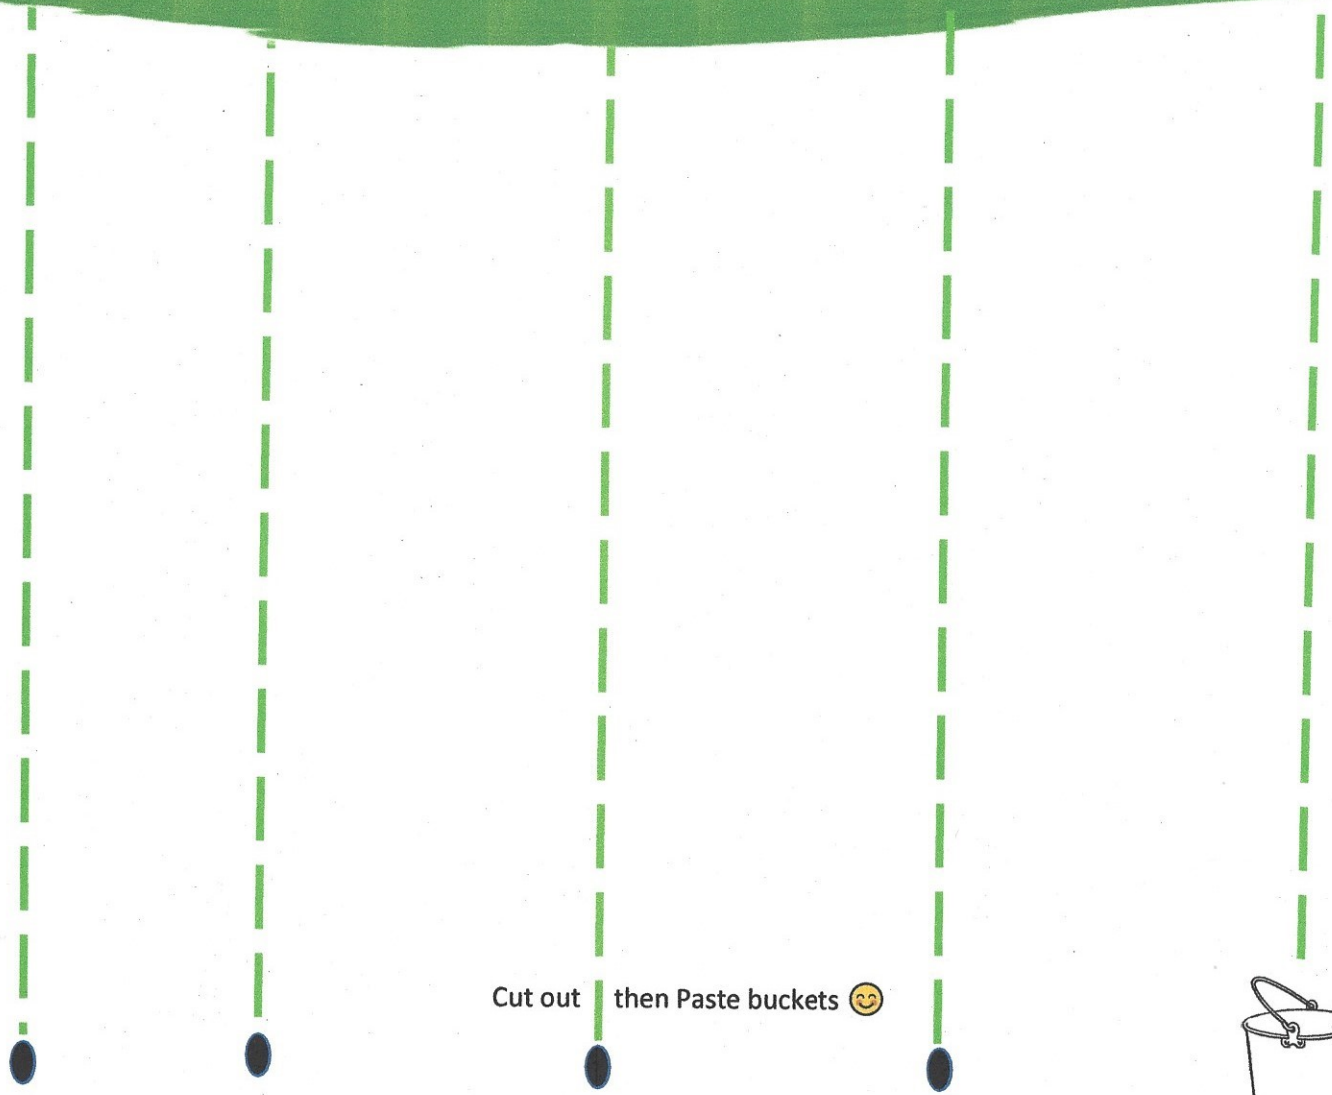

A vertical column on the left side of the page, divided into four equal rectangular sections. Each section contains a simple line drawing of a bucket with a handle. At the bottom of this column, there is a pair of scissors icon, indicating where to cut out the strips.

Five vertical dashed yellow lines extending from the bottom of the yellow brushstroke down towards the bottom of the page. Each line ends with a small, solid black oval shape, representing a paint drip.

Cut out then Paste buckets 😊

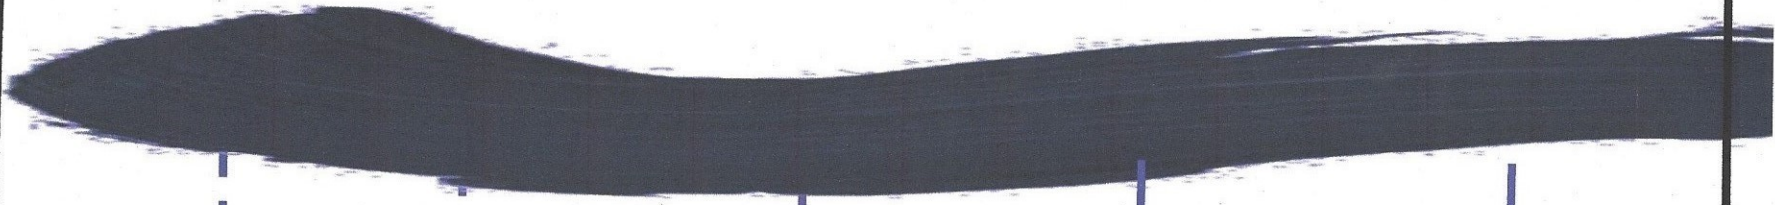

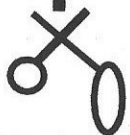

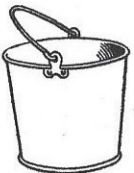

Trace the green lines with green marker first, then take a wet Q-tip and trace along the green marker. It will drip like paint!!

Cut out then Paste buckets 😊

Trace the purple lines with purple marker first, then take a wet Q-tip and trace along the purple marker. It will drip like paint!!

Cut out then Paste buckets 😊
